

Do you want **THREE** entrances to a big casino on Maule Avenue?

Your Spring Valley Town Advisory Board listened to residents and voted to recommend potential alternative entrances.

## The casino is not a done deal. On September 22nd you can request entrances be moved.

- The Spring Valley Town Advisory Board chair advised the developer to move the main entrance off of Maule Avenue.
- Now it's **UP TO YOU** to help move the entrances away from Tanaka Elementary.
- What will be done to **PROTECT KIDS** walking to school on Maule Avenue?
- How many more cars and trucks will drive on Maule Avenue every day?
